

COSMETIC SURGERY POLICY

Please read each of the following:

1. Due to the fact that Dr. Burgess schedule is usually booked months in advance, final payment **must** be received 14 days before surgery or your surgery date will be forfeited. You may pay by check, Visa, MasterCard, Discover card, or American Express.
2. Surgery that is cancelled with less than 14 days notice will receive an **80%** refund of your total surgery costs.
3. After surgery, it is possible that additional related surgeries will be necessary. It is important to understand that the patient is responsible for operating room expenses, anesthesiologist's fees and possibly a percentage of the surgeon's fee.
4. Your arrival time for surgery is between 6:00 AM and 3:00 PM, therefore, the entire day should be allowed for surgery. Changes in the surgery schedule are impossible to predict and surgery times are estimates only, so your specific time may change. While we do our best to estimate as closely as possible, time estimates for arrival and discharge cannot be guaranteed and can change.
5. Lab work or other medical tests: There also **may** be additional separate fees charged for lab work, X-Rays, EKG, prescription medication, pathology reports, or compression garments. These are not included in the quoted fees and will be your responsibility.
6. **For in-office procedures:** We require that you pay a non-refundable \$100.00 deposit on our in-office procedures at the time of scheduling the actual procedure. If for some reason your procedure is postponed, the deposit will be credited to the rescheduled procedure date.
